1.0 INTRODUCTION
The Virgin Islands Housing Finance Authority (“VIHFA”) is soliciting proposals from qualified and licensed firms (“Respondents”) to provide Construction Management Services for a portfolio of housing programs including but not limited to the Community Development Block Grant Disaster Recovery (CDBG-DR) Homeowner Rehabilitation and Reconstruction Program and the CDBG-DR Rental Rehabilitation and Reconstruction Program.

Respondents will be competing against each other for selection to provide Disaster Recovery (DR) Construction Management Services as more fully described in Section 2. The submissions of all Respondents shall be compared and evaluated pursuant to the evaluation criteria set forth in this RFP. Respondents must respond to all components of the scope.

1.1 CONTEXT
Hurricanes Irma and Maria had a devastating impact on the United States Virgin Islands (U.S. Virgin Islands or “the Territory”). The two back-to-back Category 5 storms in September 2017 caused significant damage and destruction to the islands’ housing stock. The entire population—over 100,000 residents—were impacted by the devastation brought on by the storms, with winds of over 185 miles per hour and up to 20 inches of rain in some areas. Irma crossed the islands as a windstorm tearing the roofs off buildings in her path; Maria came behind and caused water damage to all of the unprotected structures in the St. Thomas and St. John district, while inflicting severe damage on St. Croix.

Based on the FEMA IA data as of August 10, 2018, the Territory estimates that approximately 23,301 households sustained some form of damage to their primary residences from either Hurricane Irma or Maria, or both, representing 54% of the housing stock on the islands. Of the impacted households, based on The U.S. Department of Housing and Urban Development’s (HUD) methodology, 5,340 suffered Major or Severe damage; approximately 2,510 are the owners’ primary residences and 2,830 are renter-occupied homes. The remaining 12,394 owner-occupied residences and 5,567 rental units sustained minor damage.

The United States Virgin Islands is the recipient of $1.86 billion of Community Development Block Grant – Disaster Recovery (CDBG-DR) funding from HUD to assist in disaster recovery and rebuilding efforts resulting from Hurricanes Irma and Maria. The Territory’s approved CDBG-DR Action Plan and Amendment 1 (https://www.vihfa.gov/disaster-recovery/action-plan) detail how the
U.S. Virgin Islands plans to spend its first and second tranches of $1,021,901,000 in grant funds, and Respondents to this RFP should thoroughly review it.

1.2 GOALS AND OBJECTIVES
The objectives include, but are not limited to, construction management services, assessing home damages, inspection, assisting U.S. Virgin Islands residents in returning their dwellings to a safe and functional dwelling in a timely and an efficient manner; assisting VIHFA with the administration of the Housing Program; and with maintaining compliance with federal requirements.

2.0 PROPOSAL (GENERAL) DESCRIPTION

2.1 DESCRIPTION OF PROGRAMS
The services being procured through this RFP will support the implementation and administration of one or more of the following programs below. Other programs may be added to the portfolio of programs.

The initial Construction Management Services will focus on the Reconstruction solution within the Homeowner Rehabilitation and Reconstruction. This priority of the program is expected to serve approximately 500 to 1,000 homeowners. The second priority may include up to approximately 5,000 homeowners. However, the number of homeowners that submit applications to the program could be far greater. The Construction Management Services will also support application services and support to landlords in the Rental Rehabilitation and Reconstruction program in the first priority.

The Construction Management Services will assist VIHFA in the development and management of construction services, but final approval and control of all work and contractors will reside with VIHFA’s Construction Manager.

2.1.1 Homeowner Rehabilitation and Reconstruction Program
The CDBG-DR Homeowner Rehabilitation and Reconstruction Program will assist eligible applicants whose homes were damaged by Hurricanes Irma and/or Maria to complete the work necessary to make their homes decent, safe and sanitary and compliant with flood plain, environmental, and other territorial requirements. While the program is open to all homeowners that have remaining repair needs, in its initial phases, the Program will prioritize low- and moderate-income households, who lack the necessary resources to repair or reconstruct their homes. This program will supplement other funds the owner may have received to rehabilitate or reconstruct the structure. Awards will be based on the estimated construction cost of the scope based on a standard grade of building materials.
Priority 1: Reconstruction:

- The impacted home was destroyed or has Major/Severe Damages by either a FEMA-designation or has damage which exceeds 50% of the cost of reconstruction
- The applicant household meets federal LMI (Low/Moderate Income) requirements.
- The applicant has received limited or no other resources to reconstruct the home.

Priority 2: Rehabilitation:

- The impacted home experienced Major/Severe Damages by either a FEMA-designation OR has damage which meets the Major/Severe Damage standard that VIHFA has defined; and
- The applicant household meets federal LMI requirements; and
- The applicant has received limited or no other resources to rehabilitate the home.

2.1.2 Rental Rehabilitation and Reconstruction

The Rental Rehabilitation and Reconstruction Program will provide funds to reconstruct or rehabilitate damaged affordable rental units damaged as a result of Hurricane(s) Irma and Maria. The first priority of this program will serve landlords with 20 units or less that rent to tenants at or below 80% Annual Median Income (AMI).

- Rehabilitation: This program pays for approved and eligible costs to complete repairs to rental units that have not yet been completed, including eligible improvements for resilience.
- Reconstruction: This program pays for approved and eligible costs of reconstruction when a unit is destroyed or determined not feasible to rehabilitate

Mitigation and resilience measures: Mitigation measures such as structural retrofitting and non-structural retrofitting (e.g., impact resistant shutters, windows and doors) of existing structures to meet or exceed applicable building codes relative to hazard mitigation and increase the ability to shelter in place will be eligible to be noted by the Contractor. Additional resilience measures will be eligible as determined by VIHFA.

17.0 SELECTION PROCESS

VIHFA will evaluate all Proposals that are received in a proper and timely manner to determine whether they meet the submission requirements. Awards are made to the most responsive bidder that provides the proposal that is most advantageous to VIHFA, considering such factors as the Bidder's ability to perform the work of the kind involved in the bid under consideration, the Bidders' past experience, time of delivery, etc. and not solely the lowest price.

VIHFA, at its sole discretion, will determine which Proposal best satisfies its requirements. All Proposals deemed to be responsive to the requirements of this RFP will be evaluated and scored for technical qualities and price. Proposals that are materially deficient in meeting the submission requirements of this RFP or have omitted material documents may be eliminated from consideration at the sole discretion of VIHFA. The evaluation process will include separate technical and price evaluations and will be conducted as set forth herein.

Through an evaluation panel, VIHFA will establish a shortlist, either through a natural break in scores or a technically viable cut off technical score. The panel will then evaluate the Price Proposals of only those proposals that have made the cut off if it deems technically qualified. Depending on the number of respondents, VIHFA reserves the right to deviate from this approach.

VIHFA reserves the right to award contracts based on initial proposals received, without discussions; therefore, the Respondent’s initial proposal should contain its best technical and price terms.

The Evaluation Committee Panel is responsible for evaluating all responsive Respondents’ submittals. The Evaluation Committee Panel will consider the following criteria:

<table>
<thead>
<tr>
<th>Evaluation Factors</th>
<th>Total Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>Technical</td>
<td></td>
</tr>
<tr>
<td>Technical Qualifications and Experience</td>
<td>30</td>

</tr>
<tr>
<td>Approach and Methodology</td>
<td>30</td>
</tr>
<tr>
<td>Pricing</td>
<td></td>
</tr>
<tr>
<td>Pricing</td>
<td>20</td>
</tr>
</tbody>
</table>
The proposer with the lowest total pricing shall receive a score of 20 points for the pricing category. The remaining proposers will receive a price score based upon the following formula:

\[ CS = \frac{LCP}{PC} \times 20 \]

Where:
- \( CS \) = Computed cost score (points) for proposer being evaluated
- \( LCP \) = Lowest cost proposed of responses deemed technically feasible
- \( PC \) = Proposer's total cost

17.1 RIGHT TO REJECT BID PACKAGES
VIHFA reserves the right to reject, without prejudice, any and all bids submitted in response to this solicitation. Further, Bids submitted in response to this solicitation become the property of VIHFA and VIHFA may use any idea or concept in a submitted bid, regardless of whether that bid is selected for award.

17.2 CHANGES, ADDENDA, AND WITHDRAWALS
VIHFA reserves the right to change the schedule of events or revise any part of the RFP by issuing an addendum to the RFP at any time. Addenda, if any, will be posted at https://www.vihfa.gov/disaster-recovery/contracts.

17.3 WITHDRAWL OF PROPOSAL
A Respondent may withdraw a proposal that has been submitted at any time up to the date and time the proposal is due. To withdraw a proposal, a written request signed by the authorized representative of the Respondent must be submitted to the RFP Coordinator identified in the RFP.

17.4 COST OF OFFEROR PREPARATION
VIHFA shall not be liable for any costs incurred by respondents prior to issuance of or entering into a contract. Costs associated with developing the proposal, preparing for oral presentations, and any other expenses incurred by the Respondent in responding to this RFP shall be entirely the responsibility of the Respondent and shall not be reimbursed in any manner by the VIHFA.

17.5 CONTRACT AWARD AND EXECUTION
VIHFA reserves the right to enter into a contract(s) based on the initial offers received without further discussion of the proposals submitted. VIHFA reserves the right to contract for all or a partial list of services offered in the proposals. VIHFA reserves the right to negotiate reduced payment terms with the awarded Proposer(s).

By signing this form, the Respondent certifies that, to the best of its knowledge and belief, there are no relevant facts or circumstances that could give rise to an organizational or personal conflict of interest, for the organization or any of its staff, and that the Respondent, subcontractor, employee, or consultant has disclosed all such relevant information if such a conflict of interest appears to exist to a reasonable person with knowledge of the relevant facts (or if such a person would question the impartiality of the Respondent, subcontractor, employee, or consultant).

Conflicts may arise in but not limited to the following situations:

(a) Unequal access to information. A potential respondent, subcontractor, employee, or consultant has access to non-public information through its performance on a government contract for disaster recovery services in the Virgin Islands.

(b) Biased ground rules. A potential respondent, subcontractor, employee, or consultant has worked, in one government contract, or program, on the basic structure or ground rules of another government contract for disaster recovery services in the Virgin Islands.

(c) Impaired objectivity. A potential respondent, subcontractor, employee, or consultant, or member of their immediate family (spouse, parent, or child) has financial or other interests that would impair, or give the appearance of impairing, impartial judgment in the evaluation of government programs, in offering advice or recommendations to the government, or in providing technical assistance or other services to recipients of Federal funds as part of its contractual responsibility.

1) Proposer must provide the disclosure described above on any actual or potential conflict of interest (or apparent conflict of interest) regardless of their opinion that such a conflict or potential conflict (or apparent conflict of interest) would not impair their objectivity.

2) In a case in which an actual or potential conflict (or apparent conflict of interest) is disclosed, the VIHFA will take appropriate actions to eliminate or address the actual or potential conflict, including but not limited to mitigating or neutralizing the conflict, when appropriate, through such means as ensuring a balance of views, disclosure with the appropriate disclaimers, or by restricting or modifying the work to be performed to avoid or reduce the conflict. In this clause, the term “potential conflict” means reasonably foreseeable conflict of interest.

3) The Respondent, subcontractor, employee, or consultant agrees that if “impaired objectivity”, or an actual or potential conflict of interest (or apparent conflict of interest) is discovered after the award is made, it will make a full disclosure in writing to the contracting officer. This disclosure shall include a description of actions that the Proponent has taken or proposes to take to avoid, mitigate, or neutralize the actual or potential conflict (or apparent conflict of interest).
The Respondent, ____________________________, hereby certifies that, to the best of its knowledge and belief, there are no present or currently planned interests (financial, contractual, organizational, or otherwise) relating to the work to be performed under the contract or task order resulting from Request for Proposal No. RFP 003-2019-DR-STT/STX that would create any actual or potential conflict of interest (or apparent conflicts of interest) (including conflicts of interest for immediate family members: spouses, parents, children) that would impinge on its ability to render impartial, technically sound, and objective assistance or advice or result in it being given an unfair competitive advantage. In this clause, the term “potential conflict” means reasonably foreseeable conflict of interest. The Respondent further certifies that it has and will continue to exercise due diligence in identifying and removing or mitigating, to the VIHFA's satisfaction, such conflict of interest (or apparent conflict of interest).

HUD GENERAL PROVISIONS

The following terms and conditions apply to any contract for which any portion of the funding is derived from a grant made by the United States Department of Housing and Urban Development (“HUD”). In addition, Contractor or Subcontractor shall comply with the Federal Labor Standards Provisions set forth in Form HUD-4010, available at http://www.hud.gov/offices/adm/hudclips/forms/files/4010.pdf.

1. **PROVISIONS REQUIRED BY LAW DEEMED INSERTED**

Each and every provision of law and clause required by law to be inserted in this contract shall be deemed to be inserted herein and the contract shall be read and enforced as though it were included herein, and if through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then upon the application of either party the contract shall forthwith be physically amended to make such insertion or correction.

2. **STATUTORY AND REGULATORY COMPLIANCE**

Subcontractor shall comply with all laws and regulations applicable to the Community Development Block Grant-Disaster Recovery funds appropriated by the Disaster Relief Appropriations Act, 2017 (Pub. L. 115-56) and the Bipartisan Budget Act of 2018 (“BBA”), (Pub. L. 115-123), including but not limited to the applicable Office of Management and Budget Circulars, which may impact the administration of funds and/or set forth certain cost principles, including the allowability of certain expenses.

3. **BREACH OF CONTRACT TERMS**

VIHFA reserves its right to all administrative, contractual, or legal remedies, including but not limited to suspension or termination of this contract, in instances where the Contractor or any of its subcontractors violate or breach any contract term. If the Contractor or any of its subcontractors violate or breach any contract term, they shall be subject to such sanctions and penalties as may be appropriate. The duties and obligations imposed by the contract documents and the rights and remedies available thereunder shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law.

4. **REPORTING REQUIREMENTS**

The Subcontractor shall complete and submit all reports, in such form and according to such schedule, as may be required by VIHFA. The Subcontractor shall cooperate with all VIHFA efforts to comply with HUD requirements and regulations pertaining to
reporting, including but not limited to 24 C.F.R. §§ 85.40-41 (or 84.50-52, if applicable) and 570.507.

5. **ACCESS TO RECORDS**

The State, the U.S. Department of Housing and Urban Development, the Comptroller General of the United States, or any of their duly authorized representatives, shall have, at any time and from time to time during normal business hours, access to any work product, books, documents, papers, and records of the Subcontractor which are related to this contract, for the purpose of inspection, audits, examinations, and making excerpts, copies and transcriptions.

6. **MAINTENANCE/RETENTION OF RECORDS**

All records connected with this contract will be maintained in a central location and will be maintained for a period of at least four (4) years following the date of final payment and close-out of all pending matters related to this contract.

7. **SMALL AND MINORITY FIRMS, WOMEN’S BUSINESS ENTERPRISES, AND LABOR SURPLUS AREA FIRMS**

The Subcontractor will take necessary affirmative steps to assure that minority firms, women’s business enterprises, and labor surplus area firms are used in subcontracting when possible. Steps include:

(i) Placing qualified small and minority businesses and women’s business enterprises on solicitation lists;

(ii) Assuring that small and minority businesses, and women’s business enterprises are solicited whenever they are potential sources;

(iii) Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority business, and women’s business enterprises;

(iv) Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority business, and women’s business enterprises; and

(v) Using the services and assistance of the Small Business Administration, and the Minority Business Development Agency of the Department of Commerce.
8. **RIGHTS TO INVENTIONS MADE UNDER A CONTRACT OR AGREEMENT**

Contracts or agreements for the performance of experimental, developmental, or research work shall provide for the rights of the Federal Government and the recipient in any resulting invention in accordance with 37 CFR part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by HUD.

9. **ENERGY EFFICIENCY**

The Subcontractor shall comply with mandatory standards and policies relating to energy efficiency issued in compliance with the Energy Policy and Conservation Act (Public Law 94-163).

10. **TITLE VI OF THE CIVIL RIGHTS ACT OF 1964**

The Contractor shall comply with the provisions of Title VI of the Civil Rights Act of 1964. No person shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance.

11. **SECTION 109 OF THE HOUSING AND COMMUNITY DEVELOPMENT ACT OF 1974**

The Subcontractor shall comply with the provisions of Section 109 of the Housing and Community Development Act of 1974. No person in the United States shall on the grounds of race, color, national origin, or sex be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity that receives Federal financial assistance from HUD. Section 109 further provides that discrimination on the basis of age under the Age Discrimination Act of 1975 or with respect to an otherwise qualified handicapped individual as provided in Section 504 of the Rehabilitation Act of 1973, as amended, is prohibited.

12. **SECTION 504 OF THE REHABILITATION ACT OF 1973**

The Subcontractor agrees that no qualified individual with handicaps shall, solely on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity that receives Federal financial assistance from HUD.
13. **AGE DISCRIMINATION ACT OF 1975**

The Subcontractor shall comply with the Age Discrimination Act of 1975 (42 U.S.C. § 6101 et seq.), as amended, and any applicable regulations. No person in the United States shall, on the basis of age, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under, any program or activity receiving Federal financial assistance.

14. **DEBARMENT, SUSPENSION, AND INELIGIBILITY**

The Subcontractor represents and warrants that it and its subcontractors are not debarred or suspended or otherwise excluded from or ineligible for participation in Federal assistance programs subject to 2 C.F.R. part 2424.

15. **CONFLICTS OF INTEREST**

The Subcontractor shall notify VIHFA as soon as possible if this contract or any aspect related to the anticipated work under this contract raises an actual or potential conflict of interest (as defined at 2 C.F.R. Part 215 and 24 C.F.R. § 85.36 (or 84.42, if applicable)). The Subcontractor shall explain the actual or potential conflict in writing in sufficient detail so that the State is able to assess such actual or potential conflict. The Subcontractor shall provide VIHFA any additional information necessary for VIHFA to fully assess and address such actual or potential conflict of interest. The Subcontractor shall accept any reasonable conflict mitigation strategy employed by VIHFA, including but not limited to the use of an independent subcontractor(s) to perform the portion of work that gives rise to the actual or potential conflict.

16. **SUBCONTRACTING**

When subcontracting, the Subcontractor shall solicit for and contract with such subcontractors in a manner providing for fair competition. Some of the situations considered to be restrictive of competition include but are not limited to:

(i) Placing unreasonable requirements on firms in order for them to qualify to do business,

(ii) Requiring unnecessary experience and excessive bonding,

(iii) Noncompetitive pricing practices between firms or between affiliated companies,

(iv) Noncompetitive awards to consultants that are on retainer contracts,

(v) Organizational conflicts of interest,
(vi) Specifying only a brand name product instead of allowing an equal product to be offered and describing the performance of other relevant requirements of the procurement, and

(vii) Any arbitrary action in the procurement process.

The Subcontractor represents to VIHFA that all work shall be performed by personnel experienced in the appropriate and applicable profession and areas of expertise, taking into account the nature of the work to be performed under this contract.

The Subcontractor will include these HUD General Provisions in every subcontract issued by it so that such provisions will be binding upon each of its subcontractors as well as the requirement to flow down such terms to all lower-tiered subcontractors.

17. **ASSIGNABILITY**

The Subcontractor shall not assign any interest in this contract, and shall not transfer any interest in the same (whether by assignment or novation) without prior written approval of VIHFA.

18. **INDEMNIFICATION**

The Subcontractor shall indemnify, defend, and hold harmless VIHFA and its agents and employees from and against any and all claims, actions, suits, charges, and judgments arising from or related to the negligence or willful misconduct of the Subcontractor in the performance of the services called for in this contract.

19. **COPELAND “ANTI-KICKBACK” ACT** (Applicable to all construction or repair contracts)

Salaries of personnel performing work under this contract shall be paid unconditionally and not less often than once a month without payroll deduction or rebate on any account except only such payroll deductions as are mandatory by law or permitted by the applicable regulations issued by the Secretary of Labor pursuant to the Copeland “Anti-Kickback Act” of June 13, 1934 (48 Stat. 948; 62 Stat. 740; 63 Stat. 108; Title 18 U.S.C. § 874; and Title 40 U.S.C. § 276c). The Subcontractor shall comply with all applicable “Anti-Kickback” regulations and shall insert appropriate provisions in all subcontracts covering work under this contract to ensure compliance by subcontractors with such regulations, and shall be responsible for the submission of affidavits required of subcontractors thereunder except as the Secretary of Labor may specifically provide for variations of or exemptions from the requirements thereof.

20. **CONTRACT WORK HOURS AND SAFETY STANDARDS ACT**
(Applicable to construction contracts exceeding $2,000 and contracts exceeding $2,500 that involve the employment of mechanics or laborers)

The Subcontractor shall comply with Sections 103 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. §§ 327-330) as supplemented by Department of Labor regulations (29 C.F.R. part 5).

All laborers and mechanics employed by contractors or subcontractors shall receive overtime compensation in accordance with and subject to the provisions of the Contract Work Hours and Safety Standards Act, and the contractors and subcontractors shall comply with all regulations issued pursuant to that act and with other applicable Federal laws and regulations pertaining to labor standards.

21. **DAVIS-BACON ACT**

(Applicable to construction contracts exceeding $2,000 when required by Federal program legislation)

The Subcontractor shall comply with the Davis Bacon Act (40 U.S.C. §§ 276a to 276a-7) as supplemented by Department of Labor regulations (29 C.F.R. part 5).

All laborers and mechanics employed by contractors or subcontractors, including employees of other governments, on construction work assisted under this contract, and subject to the provisions of the federal acts and regulations listed in this paragraph, shall be paid wages at rates not less than those prevailing on similar construction in the locality as determined by the Secretary of Labor in accordance with the Davis-Bacon Act.

22. **TERMINATION FOR CAUSE** (Applicable to contracts exceeding $10,000)

If, through any cause, the Subcontractor shall fail to fulfill in a timely and proper manner his obligations under this contract, or if the Subcontractor shall violate any of the covenants, agreements, or stipulations of this contract, VIHFA shall thereupon have the right to terminate this contract by giving written notice to the Subcontractor of such termination and specifying the effective date thereof, at least five (5) days before the effective date of such termination. In such event, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs, and reports prepared by the Subcontractor under this contract shall, at the option of VIHFA, become VIHFA’s property and the Subcontractor shall be entitled to receive just and equitable compensation for any work satisfactorily completed hereunder. Notwithstanding the above, the Subcontractor shall not be relieved of liability to VIHFA for damages sustained by VIHFA by virtue of any breach of the contract by the Subcontractor, and VIHFA may withhold any payments to the Subcontractor for the purpose of set-off until such time as the exact amount of damages due VIHFA from the Subcontractor is determined.
23. **TERMINATION FOR CONVENIENCE** (Applicable to contracts exceeding $10,000)

VIHFA may terminate this contract at any time by giving at least ten (10) days’ notice in writing to the Subcontractor. If the contract is terminated by VIHFA as provided herein, the Subcontractor will be paid for the time provided and expenses incurred up to the termination date.

24. **SECTION 503 OF THE REHABILITATION ACT OF 1973** (Applicable to contracts exceeding $10,000)

Equal Opportunity for Workers With Disabilities

1. The Subcontractor will not discriminate against any employee or applicant for employment because of physical or mental disability in regard to any position for which the employee or applicant for employment is qualified. The Subcontractor agrees to take affirmative action to employ, advance in employment and otherwise treat qualified individuals with disabilities without discrimination based on their physical or mental disability in all employment practices, including the following:

   i. Recruitment, advertising, and job application procedures;

   ii. Hiring, upgrading, promotion, award of tenure, demotion, transfer, layoff, termination, right of return from layoff and rehiring;

   iii. Rates of pay or any other form of compensation and changes in compensation;

   iv. Job assignments, job classifications, organizational structures, position descriptions, lines of progression, and seniority lists;

   v. Leaves of absence, sick leave, or any other leave;

   vi. Fringe benefits available by virtue of employment, whether or not administered by the Subcontractor;

   vii. Selection and financial support for training, including apprenticeship, professional meetings, conferences, and other related activities, and selection for leaves of absence to pursue training;

   viii. Activities sponsored by the contractor including social or recreational programs; and
ix. Any other term, condition, or privilege of employment.

2. The Subcontractor agrees to comply with the rules, regulations, and relevant orders of the Secretary of Labor issued pursuant to the act.

3. In the event of the Subcontractor’s noncompliance with the requirements of this clause, actions for noncompliance may be taken in accordance with the rules, regulations, and relevant orders of the Secretary of Labor issued pursuant to the act.

4. The Subcontractor agrees to post in conspicuous places, available to employees and applicants for employment, notices in a form to be prescribed by the Deputy Assistant Secretary for Federal Contract Compliance Programs, provided by or through the contracting officer. Such notices shall state the rights of applicants and employees as well as the Subcontractor’s obligation under the law to take affirmative action to employ and advance in employment qualified employees and applicants with disabilities. The Subcontractor must ensure that applicants and employees with disabilities are informed of the contents of the notice (e.g., the Subcontractor may have the notice read to a visually disabled individual, or may lower the posted notice so that it might be read by a person in a wheelchair).

5. The Subcontractor will notify each labor organization or representative of workers with which it has a collective bargaining agreement or other contract understanding, that the Subcontractor is bound by the terms of section 503 of the Rehabilitation Act of 1973, as amended, and is committed to take affirmative action to employ and advance in employment individuals with physical or mental disabilities.

6. The Subcontractor will include the provisions of this clause in every subcontract or purchase order in excess of $10,000, unless exempted by the rules, regulations, or orders of the Secretary issued pursuant to section 503 of the act, as amended, so that such provisions will be binding upon each subcontractor or vendor. The Subcontractor will take such action with respect to any subcontract or purchase order as the Deputy Assistant Secretary for Federal Contract Compliance Programs may direct to enforce such provisions, including action for noncompliance.

25. **EXECUTIVE ORDER 11246**
   (Applicable to construction contracts and subcontracts exceeding $10,000)

During the performance of this contract, the Subcontractor agrees as follows:
A. The Subcontractor shall not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The Subcontractor shall take affirmative action to ensure that applicants for employment are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship.

B. The Subcontractor shall post in conspicuous places, available to employees and applicants for employment, notices to be provided by Contracting Officer setting forth the provisions of this non-discrimination clause. The Subcontractor shall state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, or national origin.

C. The Subcontractor will, in all solicitations or advertisements for employees placed by or on behalf of the Subcontractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex or national origin.

D. The Subcontractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer, advising the labor union or workers representative of the contractor’s commitments under Section 202 of Executive Order 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

E. The Subcontractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations and relevant orders of the Secretary of Labor.

F. The Subcontractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by the rules, regulations and orders of the Secretary of Labor, or pursuant thereto, and will permit access to books, records and accounts by the contracting agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations and orders.

G. In the event of the Subcontractor’s non-compliance with the non-discrimination clause of this contract or with any of such rules, regulations or orders, this contract may be cancelled, terminated or suspended in whole or in part and the Subcontractor may be declared ineligible for further government contracts in accordance with procedures authorized in Executive Order 11246 and such other sanctions as may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation or order of the Secretary of Labor, or as otherwise
provided by law.

H. Subcontractor shall incorporate the provisions of A through G above in every subcontract or purchase order unless exempted by rules, regulations or orders of the Secretary of Labor so that such provisions shall be binding on such subcontractor. The Subcontractor will take such action with respect to any subcontract or purchase order as the contracting agency may direct as a means of enforcing such provisions including sanctions for non-compliance, provided, however, that in the event the contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the contracting agency, the Subcontractor may request the United States to enter into such litigation to protect the interests of the United States.

26. **CERTIFICATION OF NONSEGREGATED FACILITIES** (Applicable to construction contracts exceeding $10,000)

The Subcontractor certifies that it does not maintain or provide for its establishments, and that it does not permit employees to perform their services at any location, under its control, where segregated facilities are maintained. It certifies further that it will not maintain or provide for employees any segregated facilities at any of its establishments, and it will not permit employees to perform their services at any location under its control where segregated facilities are maintained. The Subcontractor agrees that a breach of this certification is a violation of the equal opportunity clause of this contract.

As used in this certification, the term “segregated facilities” means any waiting rooms, work areas, rest rooms and wash rooms, restaurants and other eating areas, time clocks, locker rooms, and other storage or dressing areas, parking lots, drinking fountains, recreation or entertainment areas, transportation and housing facilities provided for employees which are segregated by explicit directive or are, in fact, segregated on the basis of race, color, religion, or national origin because of habit, local custom, or any other reason.

The Subcontractor further agrees that (except where it has obtained for specific time periods) it will obtain identical certification from proposed subcontractors prior to the award of subcontracts exceeding $10,000 which are not exempt from the provisions of the equal opportunity clause; that it will retain such certifications in its files; and that it will forward the preceding notice to such proposed subcontractors (except where proposed subcontractors have submitted identical certifications for specific time periods).

27. **CERTIFICATION OF COMPLIANCE WITH CLEAN AIR AND WATER ACTS** (Applicable to contracts exceeding $100,000)
The Subcontractor and all its subcontractors shall comply with the requirements of the Clean Air Act, as amended, 42 U.S.C. § 1857 et seq., the Federal Water Pollution Control Act, as amended, 33 U.S.C. § 1251 et seq., and the regulations of the Environmental Protection Agency with respect thereto, at 40 C.F.R.
