Borrower shall promptly provide to VIHFA a copy of every financial communication that Borrower provides to, or receives from, any other provider of funding for the Project.

4) **Terms of Subordination.**

a) **Agreement to Subordinate.** In accordance with Exhibit B, the Subordinate Lender agrees that:
(i) the indebtedness evidenced by the Subordinate Loan Documents is and shall be subordinated in right of payment, to the extent and in the manner provided in this Agreement, to the prior payment in full of the indebtedness evidenced by any Senior Loan Documents, and (ii) the Subordinate Loan Mortgage and other Subordinate Loan Documents are and shall be subject and subordinate in all respects to the liens, terms, covenants and conditions of any Senior Loan Mortgage and any other Senior Loan Documents and to all advances heretofore made or that may hereafter be made pursuant to the terms of this Agreement and the Senior Loan Mortgage and the other Senior Loan Documents (including but not limited to, all sums advanced for the purposes of (1) protecting or further securing the lien of the Senior Loan Mortgage, curing defaults by the Borrower under the Senior Loan Documents or for any other purpose expressly permitted by this Agreement or the Senior Loan Mortgage, or (2) constructing, renovating, repairing, furnishing, fixturing or equipping the Property).

b) **Subordination of Subrogation Rights.** The Subordinate Lender agrees that if, by reason of its payment of real estate taxes or other monetary obligations of the Borrower, or if by reason of its exercise of any other right or remedy under the Subordinate Loan Documents, it acquires by right of subrogation or otherwise a lien on the Property which (but for this subsection) would be senior to the lien of any Senior Loan Mortgage, then, in that event, such lien shall be subject and subordinate to the lien of the Senior Loan Mortgage.

c) **Payments Before Senior Loan Default.** Notwithstanding subparagraph (a) of this Section, the Subordinate Lender shall be entitled to retain for its own account all payments made under or pursuant to the Subordinate Loan Documents until the Subordinate Lender receives a Default Notice from the Senior Lender.

d) **Payments After Senior Loan Default.** The Borrower agrees that, after it receives notice (or otherwise acquires knowledge) of a Senior Loan Default, it will not make any payments under or pursuant to the Subordinate Lender’s Loan Documents (including but not limited to principal, interest, additional interest, late payment charges, default interest, attorney’s fees, or any other sums secured by the Subordinate Loan Mortgage) without the Senior Lender’s prior written consent. The Subordinate Lender agrees that after it receives a Default Notice from a Senior Lender with written instructions directing the Subordinate Lender not to accept payments from the Borrower on account of the Subordinate Loan, it will not accept any payments under or pursuant to the Subordinate Loan Documents (including but not limited to principal, interest, additional interest, late payment charges, default interest, attorney’s fees, or any other sums secured by the Subordinate Loan Mortgage) without the Senior Lender’s prior written consent. The Subordinate Lender shall receive written notice from the Senior Lender of any Senior Loan Default that gives rise to the Subordinate Lender’s obligation not to accept payments, and Senior Lender shall make commercially reasonable efforts to notify the Subordinate Lender in writing whether such default has been cured, waived, or otherwise suspended by the Senior Lender. In the event of such cure, waiver or suspension, the restrictions on payment in this Section 4 shall terminate, and the Senior Lender shall have no right to any subsequent payments made to the Subordinate Lender by the Borrower prior to the Subordinate Lender’s receipt of a new Default Notice from the Senior Lender in accordance with the provisions of this Section 4(d).

e) The Lenders agree that the provisions of this Section 4(d) shall be applicable to the Subordinate Lender only for a period of 60 days after the date of a Senior Loan Default, unless prior to the end of such period, either (i) the Senior Lender has accelerated the maturity of the Senior Loan, or (ii) the Senior Lender has taken affirmative action to exercise its rights under the Senior Loan Mortgage to collect rent, to appoint (or seek the appointment of) a receiver or to foreclose on (or to exercise a power of sale contained in) the Senior Loan Mortgage.
f) The Lenders further agree that nothing in this Section 4(d) shall prohibit Subordinate Lender from initiating or pursuing to conclusion any remedy to which it is entitled under the Subordinate Loan Documents.

g) Remitting Loan Payments to Senior Lender. If, after the Subordinate Lender receives a Default Notice from the Senior Lender in accordance with subsection (d) above, the Subordinate Lender receives any payments under the Subordinate Loan Documents, the Subordinate Lender agrees that such payment or other distribution will be received and held in trust for the Senior Lender and unless the Senior Lender otherwise notifies the Subordinate Lender in writing, will be promptly remitted, in kind to the Senior Lender, properly endorsed to the Senior Lender, to be applied to the principal of, interest on and other amounts due under the Senior Loan Documents in accordance with the provisions of the Senior Loan Documents. By executing this Agreement, the Borrower specifically authorizes the Subordinate Lender to endorse and remit any such payments to the Senior Lender, and specifically waives any and all rights to have such payments returned to the Borrower or credited against the Subordinate Loan. Borrower and Senior Lender acknowledge and agree that payments received by the Subordinate Lender, and remitted to the Senior Lender under this Section 4, shall not be applied or otherwise credited against the Subordinate Loan, nor shall the tender of such payment to the Senior Lender waive any Subordinate Loan Default which may arise from the inability of the Subordinate Lender to retain such payment or apply such payment to its Loan.

h) Agreement Not to Commence Bankruptcy Proceeding. The Subordinate Lender agrees that during the term of this Agreement it will not commence, or join with any other creditor in commencing, any bankruptcy reorganization, arrangement, insolvency or liquidation proceedings with respect to the Borrower, without the Senior Lender’s prior written consent.

i) However, the parties agree that the Disaster Recovery Regulatory Agreement of Virgin Islands Housing Finance Authority (the “Regulatory Agreement”) executed by and between Subordinate Lender and Borrower shall not be subordinated in any way to any Lender’s Loan Documents and that the liens of the Construction Loan Mortgage and Subordinate Loan Mortgage shall be and remain subject to the Regulatory Agreement. Borrower’s rights to enforce covenants and agreements of the Borrower relating to income, rent, or affordability restrictions contained in the Regulatory Agreement shall not be restricted in any way by the provisions hereof.

5) Default Under Loan Documents.

a) Notice of Default and Cure Rights. The Subordinate Lender shall deliver to the Senior Lender a Default Notice within five Business Days in each case where the Subordinate Lender has given a Default Notice to the Borrower. Failure of the Subordinate Lender to send a Default Notice to the Senior Lender shall not prevent the exercise of the Subordinate Lender’s rights and remedies under the Subordinate Loan Documents, subject to the provisions of this Agreement. The Senior Lender shall have the right, but not the obligation, to cure any Subordinate Loan Default within sixty (60) days following the date of such notice; provided, however that, subject to Section 5(b) below, the Subordinate Lender shall be entitled, during such 60-day period, to continue to pursue its rights and remedies under the Subordinate Loan Documents. All amounts paid by the Senior Lender in accordance with the Senior Loan Documents to a Subordinate Loan Default shall be deemed to have been advanced by the Senior Lender pursuant to, and shall be secured by the lien of, the Senior Loan Mortgage.

b) Subordinate Lender’s Exercise of Remedies After Notice to Senior Lender. If a Subordinate
Loan Default occurs and is continuing, the Subordinate Lender agrees that, without the Senior Lender's prior written consent, it will not commence foreclosure proceedings with respect to the Property under the Subordinate Loan Documents or exercise any other rights or remedies it may have under the Subordinate Loan Documents, including, but not limited to accelerating the Subordinate Loan, collecting rents, appointing (or seeking the appointment of) a receiver or exercising any other rights or remedies hereunder unless and until it has given the Senior Lender at least sixty (60) days' prior written notice; provided, however, the Subordinate Lender shall be entitled to exercise and enforce all other rights and remedies available to the Subordinate Lender under the Subordinate Loan Documents (other than commencing foreclosure proceedings or accelerating the Loan) and/or under applicable laws.

c) **Cross Default.** The Borrower and the Lenders agree that a Loan Default under any Lender’s Loan Documents shall constitute a Senior Loan Default under the Senior Loan Documents and the Senior Lender shall have the right to exercise all rights or remedies under the Senior Loan Documents in the same manner as in the case of any other Senior Loan Default. If the Subordinate Lender notifies the Senior Lender in writing that any Subordinate Loan Default of which the Senior Lender has received a Default Notice has been cured or waived, as determined by the Subordinate Lender in its sole discretion, then provided that Senior Lender has not conducted a sale of the Property pursuant to its rights under the Senior Loan Documents, any Senior Loan Default under the Senior Loan Documents arising solely from such Subordinate Loan Default shall be deemed cured, and the Senior Loan shall be reinstated, provided, however, that the Senior Lender shall not be required to return or otherwise credit for the benefit of the Borrower any default rate interest or other default related charges or payments received by the Senior Lender during such Senior Loan Default.

6) **Default Under Senior Loan Documents.**

a) **Notice of Default and Cure Rights.** The Senior Lender shall deliver to the Subordinate Lender a Default Notice within five Business Days in each case where the Senior Lender has given a Default Notice to the Borrower and Investor. Failure of the Senior Lender to send a Default Notice to the Subordinate Lender shall not prevent the exercise of the Senior Lender’s rights and remedies under the Senior Loan Documents, subject to the provisions of this Agreement. The Subordinate Lender shall have the right, but not the obligation, to cure any such Senior Loan Default within sixty (60) days following the date of such notice; provided, however, that the Senior Lender shall be entitled during such 60-day period to continue to pursue its remedies under the Senior Loan Documents. The Subordinate Lender may have up to sixty (60) days from the date of the Default Notice to cure a non-monetary default if during such 60-day period such Lender keeps current all payments required by the Senior Loan Documents. In the event that such a non-monetary default creates an unacceptable level of risk relative to the Property, or to Senior Lender’s secured position relative to the Property, as determined by Senior Lender in its sole but reasonable discretion, then Senior Lender may exercise during such 60-day period all available rights and remedies to protect and preserve the Property and the rents, revenues and other proceeds from the Property. All amounts paid by the Subordinate Lender to the Senior Lender to cure a Senior Loan Default shall be deemed to have been advanced by the Subordinate Lender pursuant to, and shall be secured by the lien of, the Subordinate Loan Mortgage.

b) **Cross Default.** The Lenders agree that, notwithstanding any contrary provision contained in any of the Loan Documents, a Senior Loan Default shall not constitute a default under the Subordinate Loan Documents if no other default occurred under such Loan Documents until either
i) the Senior Lender has accelerated the maturity of the Senior Loan, or

ii) the Senior Lender has taken affirmative action to exercise its rights under the Senior Loan Mortgage to collect rent, to appoint (or seek the appointment of) a receiver or to foreclose on (or to exercise a power of sale contained in) the Senior Loan Mortgage, or

iii) 60 days have elapsed since the Senior Loan Default.

At any time after a Senior Loan Default is determined to constitute a default under the Subordinate Loan Documents, the Subordinate Lender shall be permitted to pursue its remedies for default under the Subordinate Loan Documents, subject to the restrictions and limitations of this Agreement. If at any time the Borrower cures any Senior Loan Default to the satisfaction of the Senior Lender, as evidenced by written notice from the Senior Lender to the Subordinate Lender, any default under the Subordinate Loan Documents arising from such Senior Loan Default shall be deemed cured and the Subordinate Loan shall be retroactively reinstated as if such Loan Default had never occurred.

c) **Right to pay Senior Loan.** Notwithstanding anything to the contrary contained herein, in the event of a Senior Loan Default, the Subordinate Lender may pay Senior Lender any prepayment premium, and the outstanding balance due under the Senior Loan, in principal, interest, costs and attorneys’ fees, and, in such event Senior Lender shall, at the option of the Subordinate Lender (i) cancel, release or discharge the Senior Loan; or (ii) assign, without warranty, all of its right, title and interest in and to the Senior Loan (including without limitation the assignment of the Senior Loan Documents such Lender) to the Subordinate Lender, in order for the Subordinate Lender to acquire Senior Lender’s first priority lien position in the Property under the Senior Loan Documents.

7) **Conflict.** The Borrower and the Lenders each agree that, in the event of any conflict or inconsistency between the terms of any Loan Documents and the terms of this Agreement, the terms of this Agreement shall govern and control solely as to the following: (a) the relative priority of the security interests of the Lenders in the Property; (b) the timing of the exercise of remedies by the Lenders under their mortgages; and (c) solely as between the Lenders, the notice requirements, cure rights, and the other rights and obligations which the Lenders have agreed to as expressly provided in this Agreement. Borrower acknowledges that the terms and provisions of this Agreement shall not, and shall not be deemed to: (x) extend Borrower’s time to cure any Loan Default; (y) give the Borrower the right to notice of any Loan Default other than that, if any, provided, under the Loan Documents; or (z) create any other right or benefit for Borrower as against any Lender not expressly provided by this Agreement.

8) **Rights and Obligations of the Lenders Under Loan Documents.** Subject to each of the other terms of this Agreement, all of the following provisions shall supersede any provisions of the Loan Documents covering the same subject matter:

a) **Protection of Security Interest.** The Subordinate Lender shall not, without the prior written consent of any Senior Lender in each instance, take any action which has the effect of increasing the principal amount of indebtedness outstanding under, or secured by, the Subordinate Loan Documents, except that the Subordinate Lender shall have the right to advance funds to cure Senior Loan Defaults pursuant to Section 6(c) above and advance funds pursuant to the Subordinate Loan Mortgage for the purpose of paying real estate taxes and insurance premiums, making necessary repairs to the Property and curing other defaults by the Borrower under the Subordinate Loan Documents.
b) **Condemnation or Casualty.** In the event of: a taking or threatened taking by condemnation or other exercise of eminent domain of all or a portion of the Property (collectively, a "**Taking**"); or the occurrence of a fire or other casualty resulting in damage to all or a portion of the Property (collectively, a "**Casualty**"), at any time or times when a Senior Loan Mortgage remains a lien on the Property the following provisions shall apply:

i) The Borrower hereby agrees to provide each Lender with notice of any proceeding or action relating to a Taking and/or Casualty. The Lenders each hereby agree that its rights (under its Loan Documents or otherwise) to participate in any proceeding or action related to a Taking and/or a Casualty, or to participate or join in any settlement of, or to adjust, any claims resulting from a Taking or a Casualty, shall be and remain subordinate in all respects to the Senior Lender’s rights under the Senior Loan Documents with respect thereto, and the Subordinate Lender shall be bound by any settlement or adjustment of a claim resulting from a Taking or a Casualty made by the Senior Lender, approved in writing by the Subordinate Lender, which approval shall not be unreasonably withheld, conditioned, or delayed, it being understood by all parties hereto that Senior Lender at all times has first priority to the proceeds of such settlement or adjustment for the payment of any outstanding indebtedness under the Senior Loan Documents as set forth in Section 8(b)(ii) below. Nothing contained in this subsection and/or anything contained in this Agreement shall limit the rights of any Lender to file any pleadings, documents, claims or notices with the appropriate court with jurisdiction over the proposed Taking and/or Casualty; and

ii) all proceeds received or to be received on account of a Taking or a Casualty, or both, shall be applied (either to payment of the costs and expenses of repair and restoration or to payment of the Senior Loan) in the manner provided in the Senior Loan Documents; provided, however, that if the Senior Lender elects to apply such proceeds to payment of the principal of, interest on and other amounts payable under the Senior Loan, any proceeds remaining after the satisfaction in full of the principal of, interest on and other amounts payable under the Senior Loan shall be paid to, and may be applied by, the Subordinate Lender which then acquires the status of Senior Lender in accordance with the applicable provisions of the Subordinate Loan Documents (to the extent of the amounts due under the Subordinate Loan).

c) **No Modification of Loan Documents.** The Borrower and the Lenders each agree that, until the principal of, interest on and all other amounts payable under the Senior Loan Documents have been paid in full, it will not, without the prior written consent of the Senior Lender in each instance, increase the amount of any other Loan, increase the required payments due under any other Loan, decrease the term of any other Loan, increase the interest rate on any other Loan, or otherwise amend the any other Loan terms in a manner that creates an adverse effect upon the Senior Lender under the Senior Loan Documents. Any unauthorized amendment of any other Loan Documents or assignment of any other Lender’s interest in a Loan without the Senior Lender’s consent shall be void ab initio and of no effect whatsoever, and the Subordinate Lender agrees that it shall not transfer or assign the Subordinate Loan or the Subordinate Loan Documents without the prior written consent of the Senior Lender, which consent shall not be unreasonably withheld, conditioned or delayed.

9) **Modification or Refinancing of Senior Loan.** The Subordinate Lender consents to any agreement or arrangement in which the Senior Lender waives, postpones, extends, reduces or modifies any provisions of the Senior Loan Documents, including any provision requiring the payment of money, in connection with a refinancing of or replacement financing for the Senior Loan, subject to the terms of this Agreement. The Subordinate Lender further agrees that: (a) its agreement to subordinate
hereunder shall extend to any new mortgage debt for the purpose of refinancing all or any part of the Senior Loan (including reasonable and necessary costs associated with the closing and/or the refinancing); (b) all the terms and covenants of this Agreement shall inure to the benefit of any holder of any such refinanced debt; (c) such holder shall assume the obligations of the Senior Lender hereunder; and (d) all references to the Senior Loan, the Senior Loan Note, the Senior Loan Mortgage, the Senior Loan Documents and Senior Lender shall mean, respectively, the refinanced loan, the refinanced note, the mortgage securing the refinanced note, all documents evidencing securing or otherwise pertaining to the refinanced note and the holder of the refinanced note. Notwithstanding the preceding to the contrary, Senior Lender agrees that: (x) the refinancing or replacement of all or any part of the Senior Loan shall not require the Subordinate Lender to modify the terms of the Subordinate Loan Documents or otherwise extend the term of its Loan, or have a material adverse effect on the Subordinate Loan; and (y) the aggregate principal amount of the Senior Loan due at the time refinancing or modification may not increase beyond the amount necessary to cover reasonable and necessary costs associated with the closing and/or refinancing.

10) **Default by Lender.** If any Lender defaults in performing or observing any of the terms, covenants or conditions to be performed or observed by it under this Agreement, the other, non-defaulting lender shall have the right to all available legal and equitable relief.

11) **Notices.** Each notice, request, demand, consent, approval or other communication (hereinafter in this Section referred to collectively as “notices” and referred to singly as a “notice”) that is required or permitted pursuant to this Agreement shall be in writing and shall be deemed to have been duly and sufficiently given if: (a) personally delivered with proof of delivery thereof (any notice so delivered shall be deemed to have been received at the time so delivered); (b) sent by Federal Express (or other similar national overnight courier) designating early morning delivery (any notice so delivered shall be deemed to have been received on the next Business Day following receipt by the courier); or (c) sent by United States registered or certified mail, return receipt requested, postage prepaid, at a post office regularly maintained by the United States Postal Service (any notice so sent shall be deemed to have been received two days after mailing in the United States), addressed to the respective parties as follows:

a) Assignment/Successors. This Agreement shall be binding upon the Borrower and the Lenders and shall inure to the benefit of the respective legal successors and assigns of the Lenders.

b) No Partnership or Joint Venture. The Lenders’ entry into this Agreement does not constitute any Lender as a joint venturer or partner of any other Lender. No party hereto shall hold itself out as a partner, agent or Affiliate of another party hereto.

h) Term. The term of this Agreement shall commence on the date hereof and shall continue until the earliest to occur of the following events: (i) the payment of all of the principal of, interest on and other amounts payable under the Senior Loan Documents, except in the case of a refinancing pursuant to Section 9 hereof; (ii) the payment of all of the principal of, interest on and other amounts payable under all Loans other than the Senior Loan, other than by reason of payments which a Lender is obligated to remit to the Senior Lender pursuant to Section 4 hereof.

i) Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be considered an original for all purposes; provided, however, that all such counterparts shall together constitute one and the same instrument.

j) Conflicts. In the event of a conflict between any provision of this Agreement and any provision of a Lender’s Loan Documents, this Agreement shall control.

PRELIMINARY RECITALS:

A. WHEREAS, Lender has agreed to make a gap financing loan (the "Loan") to Borrower to finance the development, rehabilitation, replacement, restoration, and/or construction of a multifamily residential rental project on certain immovable property in Saint Thomas, U.S. Virgin Islands (the "Land") more fully described on Exhibit A – Property Description attached hereto (the "Project"), under and pursuant to that certain Award Acceptance Agreement dated __________, 2020 (the "Award Agreement"); and

B. WHEREAS, to evidence the Loan, Borrower and Lender have entered into a Gap Financing Loan Agreement ("Loan Agreement"); and

C. WHEREAS, Guarantor will derive material financial benefit from the Loan; and

D. WHEREAS, Lender has relied on the statements and agreements contained herein in agreeing to make the Loan and the execution and delivery of this Guaranty by Guarantor is a condition precedent to the making of the Loan by Lender,

NOW, THEREFORE, intending to be legally bound, Guarantor, in consideration of the matters described in the foregoing Preliminary Recitals, which Preliminary Recitals are incorporated herein and made a part hereof, and for other good and valuable consideration the receipt and sufficiency of which are acknowledged, hereby covenants and agrees for the benefit of Lender and its respective successors, transferees, participants and assigns as follows:

SECTION I: DEFINITIONS

1.1 Definitions. Except as otherwise defined in this Article 1.1, capitalized terms used but not defined herein shall have the meanings assigned to them in the Loan Agreement. The following terms shall have the meanings ascribed thereto as set forth below:

(a) "Guaranteed Obligations": each and every obligation of the Guarantor under and pursuant to this Guaranty, including, without limitation, the obligations specified in Article 3 hereof.

(b) "Guaranty Period": the period commencing on the date hereof and ending until the Project has generated positive Surplus Cash for two (2) consecutive fiscal years; provided, however, the Guarantor's obligations under the Guaranty shall be extended more than three (3) years from the date that the Project first achieves "break-even operations", and (ii) be capped at an amount equal to six (6) months of Project Expenses. For purposes of this section, "break-even operations" mean the date upon which (i) the Project achieves 95 percent occupancy, and (ii) the revenues received from the normal operation of the Project equal all accumulated operational costs of the Project for a period of three (3)
consecutive months after completion of construction computed on a cash basis and in accordance with the Loan Documents.

(e) "Operating Deficit": for the applicable period for which Surplus Cash is calculated, negative Surplus Cash as of the last day of such period.

(d) "Surplus Cash" has the meaning set forth in the Note.

SECTION 2: REPRESENTATIONS AND WARRANTIES

The Guarantor makes the following representations and warranties which shall be continuing representations and warranties until this Guaranty terminates in accordance with the provisions contained herein:

2.1 **Existence and Rights.** Guarantor is a person of sound mind and body or an entity duly organized under the laws of the United States Virgin Islands without limitation as to the duration of its existence and is in good standing thereunder. Guarantor has powers and adequate authority, rights and franchises to own its property and to carry on its business as now owned and carried on, and is duly qualified and in good standing in each jurisdiction in which the property owned by it or the business conducted by it makes such qualification necessary, including without limitation, the United States Virgin Islands, and Guarantor has the power and adequate authority to make and carry out this Guaranty.

2.2 **Guaranty Authorized and Binding.** The execution, delivery and performance of this Guaranty is duly authorized and does not require the consent or approval of any governmental body or other regulatory authority; is not in contravention of, or in conflict with, any law or regulation or any term or provision of the organizational documents of the Guarantor; and this Guaranty is a valid and legally binding obligation of Guarantor enforceable in accordance with its terms.

2.3 **No Conflict.** The execution and delivery of this Guaranty is not, and the performance of this Guaranty will not be, in contravention of, or in conflict with, any agreement, indenture or undertaking to which any Guarantor is a party or by which any Guarantor or any of the Guarantor's property is or may be bound or affected and does not, and will not, cause any security interest, lien or other encumbrance to be created or imposed upon any such property.

2.4 **Litigation.** Except as otherwise disclosed to Lender in writing, there is no litigation or other proceeding pending or, to the best of any Guarantor's knowledge, threatened against, or affecting, any Guarantor or the Guarantor's properties which, if determined adversely to any Guarantor, would have a materially adverse effect on the financial condition, properties, businesses or operations of any Guarantor, or which prevents or interferes with or adversely affects any Guarantor's entering into this Guaranty or the validity of this Guaranty or the carrying out of the terms hereof and no Guarantor is in default with respect to any order, writ, injunction, decree or demand of any court or other governmental or regulatory authority.

2.5 **Financial Condition.** Guarantor's financial statements, which have heretofore been submitted in writing by the Guarantor to Lender or Lender's credit underwriter in connection herewith, are true and correct in all material respects as of the date thereof, fairly present the financial condition of the Guarantor for the period covered thereby. Since the date of said financial statements, there has been no materially adverse change in the Guarantor's financial condition. The Guarantor has no knowledge of any liabilities, contingent or otherwise, as of the date of their respective financial statements (and as of the date hereof) which are not reflected in said financial statements; and, other than in the ordinary course of any Guarantor's business, the Guarantor has not entered into any commitments or contracts which are not
reflected in its financial statements or which may have a materially adverse effect upon any Guarantor’s financial condition, operations or business as now conducted.

2.6 Solvency. The Guarantor is not Insolvent (defined below) as of the date hereof and the execution and delivery of this Guaranty will not (a) render any Guarantor insolvent under generally accepted accounting principles nor render any Guarantor Insolvent, (b) leave any Guarantor with remaining assets which constitute unreasonably small capital given the nature of the Guarantor’s business, and (c) result in the incurrence of Debts (defined below) beyond the Guarantor’s ability to pay them when and as they mature. For the purposes of this Section, “Insolvent” means that the present fair salable value of assets is less than the amount that will be required to pay the probable liability on existing Debts as they become absolute and matured. For the purposes of this Section, “Debts” includes any legal liability for indebtedness, whether matured or unmatured, liquidated or unliquidated, absolute or fixed.

2.7 Financial or Other Benefit or Advantage. Guarantor hereby acknowledges and warrants that each Guarantor has derived or expects to derive a financial or other benefit from the Project.

SECTION 3: AGREEMENTS AND GUARANTEED OBLIGATIONS

3.1 Operating Deficits Guaranty. Guarantor hereby covenants and agrees to advance, on the terms set forth below, the funds required to fund any and all Operating Deficits incurred by the Borrower during the Guaranty Period, within 120 days following the end of each fiscal year during the Guaranty Term. If the Borrower anticipates the need to request any Guarantor to make a payment under this Guaranty to fund an Operating Deficit, the Borrower will promptly notify the Guarantor, in writing, with a copy to Lender of the amount of such Operating Deficit (with sufficient supporting documentation to evidence the need to make a payment under this Guaranty). Prior to expiration of the 120-day period, Guarantor shall promptly provide the Borrower with funds sufficient to pay the amount of such Operating Deficit and promptly upon receipt of such funds, the Borrower shall pay the expenses causing such Operating Deficit. Notwithstanding the foregoing, Lender may submit a request directly to the Guarantor (with a copy of such request to Lender), on behalf of the Borrower, to make a payment under this Guaranty upon making a determination of the existence of an Operating Deficit.

Failure of the Borrower to provide such a request and/or notice to Lender or the failure of any Guarantor to pay such Operating Deficit, shall neither impair nor reduce the Guarantor’s obligation to pay the amounts due hereunder upon direct demand by Lender. Upon approval of such request of the Borrower by Lender, and payment of such Operating Deficit by the Guarantor, the same shall be credited towards the amounts due by Guarantor under this Guaranty.

This Guaranty shall terminate upon the expiration of the Guaranty Period; this termination does not, in any way, relieve or affect the Guarantor’s obligations under this Guaranty arising prior to the expiration of the Guaranty Period, under any completion guaranty or under any other indemnity or guaranty agreement.

Notwithstanding any other provision of this Guaranty, (a) Guarantor shall be deemed to have met its obligations hereunder to the extent that any Operating Deficit is funded through withdrawals from Project Operating Reserves applied to operations in accordance with the Partnership Agreement (as defined in the Note), and (b) Guarantor’s obligations to Lender hereunder shall be limited to the payments of principal and interest on the Loan which the Borrower fails to make and Lender’s rights hereunder against Guarantor shall be enforceable only after Borrower receives a written notice of Default under the Mortgage resulting from a failure to make a payment of principal and/or interest on the Loan.
3.2 **Nature of Guaranteed Obligations.** This is a guaranty of payment and performance and not of collection only, and the obligations hereunder shall be absolute, independent and unconditional under any and all circumstances.

3.3 **Third Party Beneficiary.** The parties hereto acknowledge that Lender is entitled to enforce this Guaranty directly against the Guarantor at any time. Lender is also entitled to enforce any security agreements additional guaranties or other collateral now or hereafter securing this Guaranty at any time against the person or entity providing such security.

3.4 **Further Assurances.** The Guarantor will, at its expense, execute, acknowledge and deliver all such further documentation, instruments and assurances and the like and take all such further action as Lender shall reasonably require in order to carry out the intentions or facilitate the provisions of this Guaranty.

3.5 **Obligations Absolute.** The Guaranteed Obligations shall remain in full force and effect without regard to, and shall not be affected or impaired by the following, any of which may be taken without the consent of, or notice to, the Guarantor, nor shall any of the following give any Guarantor any recourse or right of action against Lender:

   (a) Any delay, exercise or non-exercise by Lender of any right or privilege under this Guaranty;

   (b) Any bankruptcy, insolvency, reorganization, composition, adjustment, dissolution, liquidation or other like proceeding relating to the Guarantor (which term shall include any other party at any time directly or contingently liable for any of the Operating Deficit Guaranty) or any affiliate of the Guarantor, or any action taken with respect to this Guaranty by any trustee or receiver, or by any court, in any such proceeding, whether or not the Guarantor shall have had notice or knowledge of any of the foregoing;

   (c) Any assignment or other transfer of this Guaranty in whole or in part;

   (d) Any acceptance of partial funding of the Operating Deficit Guaranty;

   (e) Any release or discharge of the Borrower or any general partner from any of its obligations; and

   (f) Any subordination, compromise or release of any or all of the property or other collateral, if any, securing the Guarantor’s obligations under this Guaranty, or any substitution with respect thereto.

3.6 **Waivers.** Guarantor unconditionally waive any defense to the enforcement of this Guaranty other than payment or performance, including, without limitation:

   (a) All presentments, demands for performance, notices of nonperformance, protests, notices of protest, notices of dishonor, and notices of acceptance of this Guaranty;

   (b) Any right to require Lender to proceed against the Borrower or any other guarantor at any time, or to proceed against or exhaust any security held by Lender at any time, or to pursue any other remedy whatsoever at any time;

   (c) Any bankruptcy, insolvency, reorganization, composition, adjustment, dissolution, liquidation or other like proceeding relating to the Borrower or the Guarantor or any affiliate of the Borrower or the Guarantor or any action taken with respect to this Guaranty by any trustee or receiver, or
by any court, in any such proceeding, whether or not the Guarantor shall have had notice or knowledge of any of the foregoing;

(d) Any right any Guarantor might have, under U.S. Virgin Islands law, to revoke this Guaranty, it being the intention of the Guarantor that this Guaranty remain in full force and effect until termination, as provided herein;

(e) Any defense based upon an election of remedies by Lender, including, without limitation, any remedies which destroy or impair the subrogation rights of any Guarantor to the Borrower or any general partner for reimbursement or both;

(f) Any duty of Lender to advise the Guarantor of any information known to Lender regarding the financial condition of the Borrower or any general partner or managing member and all other circumstances affecting the ability of the Borrower or any general partner or managing member to perform its obligations to Lender, it being agreed that each Guarantor assumes the responsibility for being and keeping informed regarding such conditions or any such circumstances; and

3.6 **Subrogation.** Notwithstanding any other provision of this Guaranty to the contrary, until all obligations in favor of Lender hereunder shall have been paid or performed in full, Guarantor hereby waives any claim or other rights which the Guarantor may now have or hereafter acquire against any other guarantor of all or any of the obligations of any Guarantor under this Guaranty, including, without limitation, any right of subrogation, reimbursement, exoneration, contribution or indemnification, any right to participate in any claim or remedy of Lender against the Borrower, any general partner or managing member or any Guarantor or any collateral which Lender now has or hereafter acquires, whether or not such claim, remedy or right arises in equity or under contract, statute or common law, by any payment made hereunder or otherwise, including, without limitation, the right to take or receive from the Borrower, any general partner or any Guarantor, directly or indirectly, in cash or other property or by set off or in any other manner, payment or security on account of such claim or other rights.

3.7 **Additional Waivers.** The Guarantor shall not be released or discharged, either in whole or in part, by Lender’s failure or delay to (a) perfect or continue the perfection of any lien or security interest in any collateral which secures the obligations of the Borrower, or (b) protect the property covered by such lien or security interest.

3.8 **Dealing with Parties.** Lender shall have complete discretion, without giving notice to or obtaining the consent of the Guarantor, the Borrower and each other person or entity who now is or after the date hereof becomes liable in any manner for any of the guaranteed obligations, in such manner as Lender shall decide, and accordingly each Guarantor grants to Lender full authority, in its sole discretion, whether before or after termination of this Guaranty, to do any and all of the following, without limiting the generality of the foregoing: extend credit, make loans and afford such financial accommodation to the Borrower or any general partner at such times, in such amounts and on such terms as Lender may approve; vary the terms or alter, compromise, accelerate and grant extensions or renewals of time or manner of payment of any present or future obligations under this Guaranty, assign or transfer this Guaranty or any other instrument evidencing or securing the obligations under this Guaranty in whole or in part; vary, exchange, release or discharge, wholly or partially the Borrower or any general partner or any other guarantor or obligor of the obligations under this Guaranty, and compromise or make any settlement or other arrangement with the Borrower, any general partner and/or managing member and/or any other guarantor, and if the obligations under this Guaranty are now or hereafter secured, exchange, substitute or release in part or in full all of the security given for the payment and performance of any of the Guarantor’s obligations under this Guaranty.
3.9 **Bankruptcy No Discharge: Repayments.** So long as any of the guaranteed obligations shall be owing to Lender, the Guarantor shall not, without the prior written consent of Lender, as applicable, commence or join with any other party in commencing any bankruptcy, reorganization or insolvency proceedings of or against the Borrower or any general partner. Guarantor understands and acknowledges that by virtue of this Guaranty, the Guarantor has specifically assumed any and all risks of a bankruptcy or reorganization case or proceeding with respect the Borrower and any general partner. As an example and not in any way of limitation, a subsequent modification of the guaranteed obligations in any reorganization case concerning the Borrower or any general partner shall not affect the obligation of the Guarantor to pay and perform the guaranteed obligations in accordance with their respective original terms. If a claim is ever made upon Lender for repayment of any amount or amounts received by Lender in payment of the obligations under this Guaranty (whether or not all or any part of such payment is subsequently invalidated, declared to be fraudulent or preferential, set aside or reported to be repaid by Lender) and Lender repays all or any part of said amount, then, notwithstanding any revocation or termination of this Guaranty or the cancellation of any other instrument evidencing the guaranteed obligations, Guarantor shall be and remain liable to Lender for the amount so repaid by Lender, to the same extent as if such amount had never originally been received by Lender.

3.10 **Subordination.** So long as any of the guaranteed obligations remain unpaid or undischarged, Guarantor agrees that any and all claims it may have against the Borrower or any general partner shall be and hereby are subordinated to the guaranteed obligations and all other claims of Lender against the Borrower or any general partner or managing member. Any indebtedness of the Borrower or any general partner or any managing member to any Guarantor shall be collected and received by the Guarantor as trustee for Lender and be paid over to Lender on account of the indebtedness of the Guarantor to Lender, upon demand by Lender. Notwithstanding the foregoing, so long as no Event of Default shall exist hereunder or under any of the Loan Documents, and no event has occurred which with the passage of time or the giving of notice would constitute a default hereunder or under any of the Loan Documents, Guarantor and/or its affiliates shall be entitled to receive any fees or other payments specifically provided for in the Borrower’s partnership agreement.

3.11 **Independent and Separate Obligations.** The obligations of Guarantor hereunder are independent of any obligation of the Borrower or any general partner or managing member, and, in the event of any default hereunder, a separate action or actions may be brought and prosecuted against any Guarantor whether or not the Guarantor is the alter ego of the Borrower, any general partner, any managing member, or any other guarantor. Lender’s rights hereunder shall not be exhausted until the conditions to termination in Section 4.6 below have been satisfied.

3.12 **Setoff.** Lender shall have a right of setoff against, and Guarantor hereby grants a security interest in, all moneys, securities and other property of the Guarantor now or hereafter in the possession of Lender. Such right is in addition to any right of setoff Lender may have by law. All rights of setoff may be exercised without notice or demand to the Guarantor. No right of setoff shall be deemed to have been waived by any act or conduct on the part of Lender, or by any neglect to exercise such right of setoff, or by any delay in doing so. Every right of setoff shall continue in full force and effect until specifically waived or released by an instrument in writing executed by Lender.

3.13 **Payments.** The Guarantor shall not be credited for the funding of any of the Guaranteed Obligations payable to Lender unless the required payment is received by Lender in immediately available funds and is made by such Guarantor after a demand made by Lender pursuant to this Guaranty. Guarantor agrees that whenever the Guarantor shall pay any amount to Lender hereunder on account of the liability hereunder, the Guarantor will deliver such payment to Lender at the address provided in Section 4.1 below and notify Lender in writing that such payment is made under this Guaranty for such purpose, with a copy to Lender of such evidence of payment and notice.
3.14 Financial Statements. Guarantor covenants and agrees to provide Lender, on or before May 31 of each year, with financial statements (audited, if available), including a balance sheet, an income statement, a statement of changes in financial position and such other statements as may be required by Lender, prepared in accordance with generally accepted accounting practices consistently applied and certified as true and complete in all material respects by the Guarantor or an officer of the Guarantor.

3.15 Governing Law/Consent to Jurisdiction. This Guaranty shall be governed by and construed in accordance with the laws of the United States Virgin Islands applicable to contracts entered into and entirely to be performed therein. Guarantor hereby irrevocably submits and consents to the jurisdiction of the courts of the United States Virgin Islands and of the United States District Court for the district in which the Project is located in connection with any action, suit or other proceeding arising out of or relating to this Guaranty or any action taken or omitted hereunder, and waives personal service of any summons, complaint or other process and agrees that the service thereof may be made by certified or registered mail directed to the Guarantor at the address for purposes of notices hereunder. If Guarantor, so served, should fail to appear or answer within the time prescribed by law, then the Guarantor shall be deemed in default and judgment may be entered against the Guarantor for the amount or other relief as demanded in any summons, complaint or other process so served. Guarantor agrees that a final judgment in any such action, suit or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

SECTION 4: MISCELLANEOUS

4.1 Notices. All notices and other communications to be made or permitted to be made hereunder shall be in writing and shall be delivered to the addresses shown below or to such other addresses that the parties may provide to one another in accordance herewith. Such notices and other communications shall be given by any of the following means: (a) personal service; (b) national express air courier, provided such courier maintains written verification of actual delivery; or (e) facsimile. Any notice or other communication given by the means described in subsection (a) or (b) above shall be deemed effective upon the date of receipt or the date of refusal to accept delivery by the party to whom such notice or other communication has been sent. Any notice or other communication given by the means described in subsection (c) above shall be deemed effective the date on which the facsimile transmission occurs or if such date is not a business day on the business day immediately following the date on which the facsimile transmission occurs.

4.2 **Expenses.** The Guarantor agrees to pay all costs and expenses, including reasonable legal fees, which may be incurred by Lender in any effort to collect or enforce any of the obligations of any Guarantor hereunder, whether or not any lawsuit is filed, including, without limitation, all costs and legal fees incurred by Lender in any bankruptcy proceeding (including, without limitation, any action for relief from the automatic stay of any bankruptcy proceeding) and in any judicial or non-judicial foreclosure action.

4.3 **Amendments; Successors.** Neither this Guaranty nor any term hereof may be changed, waived, discharged or terminated orally, but only by an instrument in writing signed by the party against which enforcement of the change, waiver, discharge or termination is sought, subject to the prior written consent of Lender. All of the terms of this Guaranty shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, except that the Guarantor shall not have the right to assign any of the Guarantor’s rights or obligations under this Guaranty. All remedies of Lender are cumulative. When the context in which the words are used in this Guaranty indicates that such is the intent, words in the singular number shall include the plural and vice-versa. If any one or more of the provisions of this Guaranty should be determined to be illegal or unenforceable, all other provisions shall remain effective. No delay or failure by Lender to exercise any remedy against any Guarantor will be construed as a waiver of that right or remedy. If more than one person or entity executes this Guaranty as a Guarantor, the obligations hereunder shall be joint and several.

4.4 **Assignability by Lender.** Lender may, at any time and from time to time, assign, conditionally or otherwise, all of the rights of Lender under this Guaranty in connection with an assignment of the Loan, whereupon such assignee shall succeed to all rights of Lender hereunder. Lender may, at any time and from time to time, assign, conditionally or otherwise, all of the rights of Lender under this Guaranty, whereupon such assignee shall succeed to all rights of Lender hereunder to the extent that such rights may be assigned to it. Lender may give written notice to the Guarantor of any such assignment, but any failure to give, or delay in giving, such notice shall not affect the validity or enforceability of any such assignment.

4.5 **Demands.** Each demand by Lender for performance or payment hereunder shall be in writing and shall be made in the manner set forth in Section 4.1. Interest shall accrue at the Default Rate on all sums not paid by the Guarantor to Lender within ten (10) days after demand.

4.6 **Term.** The obligations of the Guarantor under this Guaranty and any instrument which grants collateral to secure such obligations shall continue in full force and effect until the Guarantor has fully performed all of the guaranteed obligations and paid all other amounts payable hereunder in accordance with the terms of this Guaranty and the period of time has expired during which any payment
received by Lender hereunder or any act performed by the Guarantor may be determined to be a preferential or fraudulent transfer under the United States Bankruptcy Code or other similar applicable laws.

4.7 **Complete Agreement.** This Guaranty supersedes any prior negotiations, discussions or communications between any Guarantor and Lender and constitutes the entire agreement between Lender and the Guarantor with respect to the Guaranteed Obligations.

4.8 **Counterparts.** This Guaranty may be executed in one or more counterparts, each of which taken together shall constitute one and the same instrument.

4.9 **Advice of Counsel.** The Guarantor represents and acknowledges to Lender that the Guarantor has consulted with attorneys regarding the terms and conditions and waivers set forth in this Guaranty. The Guarantor’s attorneys have advised the Guarantor of the true legal consequences of each waiver set forth in this Guaranty, including the rights the Guarantor would have in the absence of such waivers.

4.10 **Waiver of Jury Trial.** BY EXECUTING THIS GUARANTY, LENDER AND THE GUARANTOR KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVE THEIR RIGHTS OR THE RIGHTS OF THEIR HEIRS, ASSIGNS, SUCCESSORS OR PERSONAL REPRESENTATIVES TO A TRIAL BY JURY, IF ANY, IN ANY ACTION, PROCEEDING OR SUIT, WHETHER ARISING IN CONTRACT, TORT OR OTHERWISE, AND WHETHER ASSERTED BY WAY OF COMPLAINT, ANSWER, CROSSCLAIM, COUNTERCLAIM, AFFIRMATIVE DEFENSE OR OTHERWISE, BASED ON, ARISING OUT OF, UNDER OR IN CONNECTION WITH, THIS GUARANTY OR ANY OTHER INSTRUMENT, DOCUMENT OR AGREEMENT TO BE EXECUTED IN CONNECTION HEREWITH OR WITH THE INDEBTEDNESS OR THE RENEWAL, MODIFICATION OR EXTENSION OF ANY OF THE FOREGOING OR ANY FUTURE ADVANCE THEREUNDER. THIS PROVISION IS A MATERIAL INDUCEMENT FOR LENDER’S EXTENDING CREDIT TO THE BORROWER AND NO WAIVER OR LIMITATION OF LENDER’S RIGHTS HEREUNDER SHALL BE EFFECTIVE UNLESS IN WRITING AND MANUALLY SIGNED ON LENDER’S BEHALF.

Guarantor acknowledges that the above paragraph has been expressly bargained for by Lender as part of the Loan and that, but for the Guarantor’s agreement thereto, Lender would not have extended the Loan secured by this Guaranty.
