Questions/Answers:

1. On page 11 of the RFP under Key Personnel, an org chart describing the organizational structure of the team including subconsultants is required. On page 13 under Firm Background and Experience, an organizational chart of the firm, including subconsultants is required. Are we then required to provide two separate organizational charts, or can we submit just one depicting the team and management for this contract?

One organizational chart with required information should be submitted.
