## **VIHFA Hosts Meeting to Address Housing Safety Concerns at LBJ Gardens Community**

**U.S. Virgin Islands** – The Virgin Islands Housing Finance Authority (VIHFA) recently convened an in-person meeting with residents of the LBJ Gardens Housing Community on Monday, March 24, 2025, to address concerns related to housing safety following the recent demolition of the neighboring structures. Understanding the importance of community well-being, VIHFA took this opportunity to engage with residents directly, provide updates, and introduce potential solutions.

After carefully reviewing applicable regulations, VIHFA identified funds to potentially offer residents two distinct options for a path forward. Residents were given 30 days to formally submit their decision to the Authority.

In addition to exploring mitigation options, VIHFA has partnered with a company to conduct comprehensive water testing for the residents.

VIHFA remains committed to fostering safe and sustainable housing solutions for Virgin Islanders. For more information, please contact the Director of Communications, Nikya Kirnon at (340) 642-3528 or email at [media@vihfa.gov](mailto:media@vihfa.gov)
