Community Meeting with LBJ Residents Postponed to Ensure Full Agency Coordination

U.S. Virgin Islands – The Virgin Islands Housing Finance Authority (VIHFA) remains committed to keeping the residents of LBJ Gardens Housing Community informed and engaged as we move through the demolition process. We also recognize the concerns of homeowners that predate the demolition and remain dedicated to working toward a resolution that supports their needs.

In line with this commitment following our last meeting on February 13, 2025, we initially planned to hold a community meeting for March 19, 2025, to address resident concerns, provide updates, and discuss the next steps. However, we must postpone the meeting.

We understand how important this discussion is, and while scheduling multiple agencies takes time, resident safety remains our top priority. In the meantime, we are actively working behind the scenes to assess all possible options to support them and to ensure a meaningful resolution.

A new date will be announced soon, and we appreciate the community's patience and understanding as we finalize these details. The residents have been notified, and we encourage them to reach out with any immediate concerns.

For more information, please contact the Director of Communications, Ms. Nikya Kirnon at (340) 642-3528 or email at media@vihfa.gov.
