		5b. Project/Grant No. 2	6b. Amount Approved

**Grant Agreement:** This Grant Agreement between the Department of Housing and Urban Development (HUD) and the above named Grantee is made pursuant to the authority of Title I of the Housing and Community Development Act of 1974, as amended, (42 USC 5301 et seq.). The Grantee's submissions for Title I assistance, the HUD regulations at 24 CFR Part 570 (as now in effect and as may be amended from time to time), and this Funding Approval, including any special conditions, constitute part of the Agreement. Subject to the provisions of this Grant Agreement, HUD will make the funding assistance specified here available to the Grantee upon execution of the Agreement by the parties. The funding assistance specified in the Funding Approval may be used to pay costs incurred after the date specified in item 4 above provided the activities to which such costs are related are carried out in compliance with all applicable requirements. Pre-agreement costs may not be paid with funding assistance specified here unless they are authorized in HUD regulations or approved by waiver and listed in the special conditions to the Funding Approval. The Grantee agrees to assume all of the responsibilities for environmental review, decision making, and actions, as specified and required in regulations issued by the Secretary pursuant to Section 104(g) of Title I and published in 24 CFR Part 58. The Grantee further acknowledges its responsibility for adherence to the Agreement by sub-recipient entities to which it makes funding assistance hereunder available.

**Grant Special Conditions**  
**CDBG Disaster Recovery Assistance**  
**United States Virgin Islands**  
**Supplemental Appropriations for Disaster Relief**  
**Requirements, 2017**  
**(P.L. 115-56)**

---

1. These special conditions are attached to the Funding Approval/Agreement (form HUD-7082) between HUD and the Grantee for grant number B-17-DM-78-0001. They modify the Grant Agreement to impose the requirements on the award of Community Development Block Grant disaster recovery (CDBG-DR) funds under Public Law 115-56. By signing the grant agreement, the grantee agrees to these special conditions on the use of grant funds, as may be amended from time to time by the Secretary.
2. The submissions for assistance incorporated into the Grant Agreement include the grantee's CDBG-DR Action Plans and amendments, including the certifications, assurances, and any documentation the grantee is required to submit in advance of the award to support the Secretary's risk assessment and certification. Until grant closeout, the grantee must continue to adhere to the controls, processes, procedures, and plans in the pre-award documentation it submitted to HUD, unless amended with HUD approval.
3. The requirement of the Grant Agreement to comply with the Housing and Community Development Act of 1974, as amended, and the regulations governing the CDBG program at 24 CFR part 570 is modified to incorporate the requirements of the February 9, 2018, *Federal Register* Notice, "Allocations, Common Application, Waivers, and Alternative Requirements for 2017 Disaster Community Development Block Grant Disaster Recovery Grantees," 83 FR 5844 (as now in effect and as may be modified from time to time). The grantee agrees to comply with this Notice and any future *Federal Register* Notices that HUD publishes that apply to CDBG-DR grants under Public Law 115-56. These *Federal Register* notices impose waivers and alternative requirements and implement the requirements on the use of the CDBG-DR funds in Public Laws 115-56, 115-72, 115-123, and 115-141. Future *Federal Register* notices will apply prospectively from their applicability date, and to costs reimbursed from the grant after their applicability date, as provided in the notices and in paragraph 4.
4. The period of performance for this grant begins on September 27, 2018, and ends on September 27, 2024, unless HUD publishes an alternative period of performance in an applicable *Federal Register* notice. All grant funds must be expended by the end of the period of performance. Grantee may charge costs dating back to the incident date of the covered disaster (Disaster No. 4335 - September 5, 2017; Disaster No. 4340 - September 16, 2017) as permitted in the *Federal Register* notices referenced in paragraph 3.

5. Policies and Procedures. HUD has determined specific risks associated with this grant and therefore sets forth the following additional grant terms for the grantee. The grantee shall develop and maintain policies and procedures. The policies and procedures shall outline each program, eligible activities, required records management, procurement requirements, subrecipient oversight, technical assistance, monitoring procedures, cost allocation methodology, the timely expenditure of funds, and include a plan for training subrecipients on all federal and state CDBG-DR requirements. The policies and procedures shall be submitted to HUD within 30 days of the date of this agreement or prior to awarding funds to subrecipients, whichever is later.

6. Staffing. HUD has determined specific risks associated with this grant and therefore sets forth the following additional grant terms for the grantee. The grantee must continue to secure staff and contractors as identified in the USVI DR Staffing Analysis Worksheet submitted by grantee as of September 7, 2018. These positions are deemed critical for launch of the CDBG-DR recovery programs. As such, the grantee must advertise and secure the following positions within 90 days of execution of the grant agreement for these funds: CDBG-DR Environmental Program Manager; CDBG-DR Housing Senior Program Manager; CDBG-DR Infrastructure Program Manager; and the CDBG-DR Economic Revitalization Program Manager. Eighty percent of the grantee's CDBG-DR funds will remain in restricted balance until the Department receives evidence that the positions have been advertised and filled.

7. For ease of administration, the following requirements of the February 9, 2018, *Federal Register* notice are highlighted:

- The grantee may not expend more than 5 percent of the grant plus program income for administration and technical assistance.
- The grantee is limited to spending a maximum of 15 percent of the total grant amount on planning costs.  
The grantee must expend not less than 70 percent of the grant award plus program income, less administration and planning expenditures, on activities that benefit low- and moderate-income persons.

8. Public Laws 115-72, 115-123, and 115-141 impose additional requirements on the use of funds made available by Public Law 115-56, and therefore, the grantee agrees to adhere to the following requirements on the use of grant funds:

- Additional requirements for the comprehensive disaster recovery website. The February 9, 2018, *Federal Register* notice requires all grantees to maintain a comprehensive disaster recovery website. In addition to the website content described in the February 9, 2018, notice, grantees must maintain information containing common reporting criteria established by the Department that permits individuals and entities awaiting assistance and the general public to see how all grant funds are used, including copies of all relevant procurement documents, grantee administrative contracts and details of ongoing procurement processes, as determined by the Secretary. HUD will post guidance related to this requirement on the HUD exchange website.

- Underwriting. CDBG funds may not be provided to a for-profit entity pursuant to section 105(a)(17) of the Act unless such activity or project has been evaluated and selected in accordance with Appendix A to 24 CFR 570 - "Guidelines and Objectives for Evaluating Project Costs and Financial Requirements."
- Limitation on use of funds for eminent domain. The grantee shall ensure that no CDBG funds are used to support any Federal, State, or local projects that seek to use the power of eminent domain, unless eminent domain is employed only for a public use. For the purposes of this requirement, public use shall not be construed to include economic development that primarily benefits private entities. Any use of funds for mass transit, railroad, airport, seaport or highway projects as well as utility projects which benefit or serve the general public (including energy-related, communication-related, water-related and wastewater-related infrastructure), other structures designated for use by the general public or which have other common-carrier or public-utility functions that serve the general public and are subject to regulation and oversight by the government, and projects for the removal of an immediate threat to public health and safety or brownfield as defined in the Small Business Liability Relief and Brownfields Revitalization Act (Public Law 107-118) shall be considered a public use for purposes of eminent domain.

9. The Recipient shall attach a schedule of its indirect cost rate(s) in the format set forth below to the executed Agreement that is returned to HUD. The Recipient shall provide HUD with a revised schedule when any change is made to the rate(s) described in the schedule. The schedule and any revisions HUD receives from the Recipient shall be incorporated herein and made a part of this Agreement, provided that the rate(s) described comply with 2 CFR part 200, subpart E.

<u>Administering Department/Agency</u>	<u>Indirect cost rate</u>	<u>Direct Cost Base</u>
_____	_____ %	_____
_____	_____ %	_____
_____	_____ %	_____
_____	_____ %	_____
_____	_____ %	_____

Instructions: The Recipient must identify each agency or department of the Recipient that will carry out activities under the grant, the indirect cost rate applicable to each department/agency (including if the de minimis rate is used per 2 CFR §200.414(f)), and the type of direct cost base to which the rate will be applied (for example, Modified Total Direct Costs (MTDC)). Do not include indirect cost rates for subrecipients.

10. In addition to the conditions contained on form HUD 7082, the grantee shall comply with requirements established by the Office of Management and Budget (OMB) concerning the Dun and Bradstreet Data Universal Numbering System (DUNS), the System for Award Management (SAM.gov), and the Federal Funding Accountability and Transparency Act as provided in 2 CFR part 25, Universal Identifier and Central Contractor Registration, and 2 CFR part 170, Reporting Subaward and Executive Compensation Information.
